

A top-down view of a hotel amenity tray. The tray is filled with white linens, including folded towels and a bath mat. Various amenities are arranged on the linens: a small bottle of shampoo, a natural sponge, a bar of soap in a gold-rimmed dish, a bar of soap in a white dish, a small bottle of shower gel, a toothbrush, a safety razor, and a round soap dish with a woven basket. In the bottom left corner, there are several vintage-style hotel cards from Hotel Irvin, 308 West 30th Street, New York City, with handwritten notes and stamps. The central text 'Amenity Collection Catalogue' is overlaid on a white rectangular background with a thin gold horizontal line below it.

# Aspinal of London

We define timeless English style through our collections of exquisitely crafted leather goods of the finest quality. This is at the heart of our brand and all that we stand for.

Aspinal is an old English name, originating from the ancient term 'Aspen-well' meaning a copse of Aspen trees near a water well. We called ourselves Aspinal of London as this represents nature, strength and generosity as depicted in our heraldic inspired logo. Supreme craftsmanship is at the heart of achieving this standard of quality, and one of our defining brand values.

All our products are handmade by skilled artisans in some of the finest workshops in the world. Our commitment to exquisite quality is unwavering. We are proud to create timeless, long-lasting and responsible luxury. We are equally proud of our commitment to act consciously as a business to lessen our environmental impact and create positive change to the world we live in. We are refining our whole way of working to make Aspinal of London as sustainable a brand as we can make it.

# Marvis

Cheeky, iconic, original in one word: contemporary. Marvis surpasses the traditional concept of toothpaste. It is a world that is at once current, curious, open to new things: it transforms simple gestures of the everyday into a moment of pure pleasure.

This was the premise for creating ironic and unusual, yet welcoming and attractive tastes, which captivate you in a whirlwind of sensations. Seven concoctions for a toothpaste that charms even with its texture, extremely compact and pleasant, and which offers perfect protection, an unmistakably fresh sensation and an unforgettable smile.

Evergreen energy. exuberant, lively. unmistakable peppermint. and an intense and lasting freshness, without limits.

# Acca Kappa

Acca Kappa. Two initials that tell an Italian story. That of a family, the Krülls, who have been at the reins of the company since 1869. Of an ancient factory, in the heart of the city of Treviso. Of a lifestyle, which comes from the taste, culture and elegance of the Bel Paese.

Acca Kappa. A historical brand of excellence in the creation of perfumes, professional brushes and products for the care and well-being of the body. A world of sensory and olfactory experiences that draws inspiration from the fragrances of flowers and plants of the Italian garden. Four generations of craftsmen and in every artifact, in every little detail, an absolute passion for simplicity and authentic beauty.

Acca Kappa. A family business, which has become an industrial reality, which remains faithful to timeless values. Love for nature, respect for the body of man and woman, exclusively made in Italy production. In the best boutiques and single-brand stores around the world.

# Melt Season

Founded in Shanghai, the salon perfume brand Melt Season embarks on a journey from Eastern olfactory aesthetics, blending contemporary tastes with traditional flavors. It connects all creatures and nature through fragrance.

Melt Season, which means "to experience the seasons with a tender heart," embraces the philosophy of living naturally and believes in the Eastern wisdom embedded in the concept of "Flow," allowing life to flow freely like water.

"MERI," a cedarwood-based perfume steeped in winter's ambiance, draws inspiration from Meili Snow Mountain bathed in the golden hues of sunrise.

Embodying this auspicious vision, Melt Season captures the fleeting moment of sunrise over the golden mountain and translates it into a dialogue between fragrance and skin, specially crafting the "MERI" wash and care set.

Wait for the wind to blow and the snow to cease. With nothing to hinder, move forward with all your heart. May love and fragrance accompany you on every journey.

# Shanghai Tang

Shanghai Tang was founded by the late socialite & magnate Sir David Tang in 1994. At launch, Sir David Tang spent HKD 120 million to open the first Shanghai Tang flagship store in Central, Hong Kong and invited renowned international celebrity Gong Li to be its first brand ambassador. Shanghai Tang would soon be recognised by the fashion industry as China's first luxury brand.

Over the years, Shanghai Tang continues moving forward by celebrating and shaping contemporary Chinese culture and art. The brand merges storied traditions with the latest design in its products and culture, seamlessly integrating them into modern society and current times. Through its Imperial Tailoring collection, ready-to-wear, accessories, home decor, and collaborations with artists and designers, Shanghai Tang is committed to presenting the exquisite lifestyle of the East.

# Aromatherapy Associates

# Cochine

When skincare and fragrance specialist Kate Crofton-Atkins moved to Saigon she was instantly struck by the city's unique style, elegance and romance.

Charmed by everyday scenes around her from hidden streets overflowing with Jasmine to the stylish backdrop of French architecture, she set about designing a range of fragrances that could capture these unique moments and the carefree sense of escape they provided. Partnering with a New York based fragrance house, Kate spent over a year working with essential oils harvested from unique plants in order to produce the perfect combination of scents to reflect Asia's diverse flora and distinctive blend of oriental charm.

Kate's passion for fragrance is born out of her belief that by combining beauty, quality and style, daily events can become a pleasure. And this principle is represented in all Cochine products, each one of which is elegantly designed, professionally crafted and perfectly scented to heighten the sense of luxury for you and those about you.

# Crabtree & Evelyn

Cy Harvey, the founder of Crabtree & Evelyn, was out there exploring the world's coolest destinations before there were travel guides. A true wander luster and nature lover, Cy lived by the motto "Explore everything. Keep the best." and opened a small shop called the Soap Box to sell the unique soaps he collected on his travels. Fast forward to '71 and his passion project evolved into a global business - Crabtree & Evelyn was born.

Like everyone, they look a little different after fifty years, but their mission remains the same. To connect people and cultures by sharing the best beauty products, lifestyle accessories and stories from around the world.

# Cha Ling

CHA LING was created to conceive and champion meaningful beauty, for you, for others, and for the world.

CHA LING is the first cosmetics house to integrate the anti-oxidant, antiaging and anti-pollution properties of the world's original tea, the rarest, richest and purest Pu'Er tea from forests that are thousands of years old in China's Yunnan province. We guarantee the exceptional quality and performance of our products, which have been developed by LVMH Research and are made in France.

Our products are accompanied by gestures and tools derived from traditional Chinese medicine. By rebalancing energy flows with soft sensuality aligned with different moments in the day, CHA LING reinvents the Time of Beauty.

## This Works

We develop clean, targeted skincare and wellness solutions that work in harmony with your body clock, 24hrs a day - rooted in science and proven to work.

We've been investing in the science of sleep since 2011. Our award-winning, natural sleep solutions have been through six independent user trials with over 900 participants, as well as clinical and fMRI brain-imaging studies, so you can be confident This Works is more than our name: it's our promise.

# Peter Thomas Roth

Peter Thomas Roth's passion for skin care is derived from his quest to find effective products to treat his own personal skin care concerns. Initially his primary issue was acne and as time went on antiaging issues as well. His interests eventually grew into a desire to find the best tools to combat acne, the many signs of aging, as well as protecting the skin from sun damage. His mission: to combine effective and potent ingredients with advanced technology.

The Peter Thomas Roth brand philosophy is simple; Breakthrough formulas. Astonishing results. As the product formulator, Peter leads all research and development efforts to deliver progressive, cutting-edge products in his own lab and production facility. He scours the earth for the best and most powerful ingredients to deliver state of the art quality at effective concentrations.

# Anatomicals

Anatomicals – The company that ‘Only Wants You For Your Body’ which has single-handedly rescued Britain from daily grind and banned boring beauty regimes across the nation.

You’ll be pleased to know in Anatomicals land, rabbits run free, guinea pigs rule and the only testing the mice do is Brain Training (purely for their own entertainment we might add). In fact, one of the mice has a higher IQ than Einstein had. Our ingredients are all free from animal testing – We think fluffy bunnies are cute enough without Anatomicals products or ingredients. It’s just us humans that need a bit of help sometimes! All of our formulas are also paraben free.

At anatomicals we manufacture the world’s funkier toiletries and so far people seem to like them. Exactly like oxygen, water, gravity and chocolate fudge cake, you’ll soon wonder how on earth you ever managed to live without us.

# World of Creatures

Natural Children Toiletries for your Little Wild Ones

World of Creatures was formed by Mum, Marike, who was concerned about the chemicals in products used by children.

Creatures believes that Mother Nature knows best and has developed products using natural ingredients such as aloe vera, shea butter, organic chamomile, lavender and rooibos to help cleanse and protect. The Creatures labels are created by British Children's book author John Butler. Creatures products are not tested on animals and are hypoallergenic, dermatologically tested and free from parabens and sulphates.

## Our Gilchrist & Soames Collections

Each collection is designed to reflect a sense of place and takes you on a journey to evoke special memories, emotions, stories and experiences. Sense of place defines how people view, interpret and interact with their world, and our collections are designed to bring that memory or experience back to life.

# London Collection

Sophistication and style are inspired by the strong architecture of major cities in the world. The London Collection encapsulates a complete package of understated elegance; crisp, clean and tailored to fit the needs of today's genteel traveller.

Antioxidant-rich botanicals of red tea, soy, ginkgo biloba, grape seed and milk thistle, renowned for their beneficial attributes, combine in a dynamic blend to restore and revive.

# Guild + Pepper

Carefully crafted with high-quality ingredients and essential oils, the GUILD+PEPPER Collection represents the perfect alchemy of past and present, a thoroughly modern throwback designed to intrigue today's discerning traveller.

Warm oak is balanced by fresh hints of bergamot and Moroccan grapefruit, mixed with aromatic and spicy coriander and accompanied by a trail of sensual oud and cedarwood for a distinctly contemporary fragrance, ideal for men and women alike.

The apothecary-inspired packaging provides the perfect aesthetic for properties ranging from swanky urban boutique hotels to luxe mountain lodges. Classic amber bottles, craft paper labels, and clean, modern typography on a classic silhouette will enhance the ambience of any guest room, from industrial to chic.

# Reserve

Expertly blended with high-performance botanical extracts to nourish and pamper. Reserve, by nature, creates a sense of place, from the rolling hills of Ireland to the low-lying plains of Cambodia.

The effervescent citrus fragrance features an elegant blend of citron zest, white tea leaves, geranium and bamboo, with top notes of teakwood and sueded musk.

# BeeKind

This young, chic, and sensual fragrance is alive with the sparkling freshness of juicy limes, California lemons, and crisp green apples, all intermingled with notes of cool verbena. With honey and certified organic extracts of red clover, calendula, lemongrass, and chamomile, this high-performance collection is as soothing as it is stylish.

BeeKind to yourself by not using products with parabens, phthalates, or artificial colors. BeeKind to your neighbors, animals, and children. Most importantly, BeeKind to the environment so future generations may enjoy our planet's breathtaking beauty. Delight in the rich rewards of feeling good and doing good.

A portion of the profits from these naturally-derived BeeKind products will be given in support of the Harry H. Laidlaw Jr. Honey Bee Research Facility at the University of California, Davis for honey bee and sustainable pollination research.

# Zero%

Naturally KIND Formulation™

Sometimes there is just nothing better than...nothing. Zero bad additives, only good, gentle ingredients with a subtle, clean fragrance. The nature-inspired fragrance opens with an accord of lemon, aloe, fresh herbs, and marine ozone wrapped in a blooming floral bouquet of hibiscus, jasmine, rose water, and lily. Notes of birch water, sandalwood and musk display an outdoor elegance that is both light and refreshing. All you need for a luxurious bathing experience.

Good for you. Good for the environment.
